### DUO LINK iOS USB 3.0 OTG FLASH DRIVE

Free up space on your iOS devices by transferring videos, photos, music and more to the PNY DUO LINK iOS USB 3.0 OTG Flash Drive for iPhone and iPad. With read speeds enabled by Superspeed USB 3.0, the DUO LINK iOS USB 3.0 OTG Flash Drive enables you to sync & share content between devices, back-up contacts, download & store videos, photos, and more via the free, easy-to-use app, DUO LINK 4. This app enables you to access and stream your digital content anytime, anywhere direct from the DUO LINK iOS USB 3.0 OTG Flash Drive. DUO LINK also allows you to keep your iOS devices charged by connecting to a power source and then connecting to your devices, ensuring that you can access your content on-the-go.
