Attaché I USB 2.0 Flash Drive

The PNY Attaché I Flash Drive is an wonderful solution for storing your innovative ideas in daily life. Allow yourself to be immersed in the blessing of nature and positivity which are designed by our amazing local talent. This product series, the "I" for Attaché I stands for many creative words, such as "imaginative," "Innovative," "inventive" and also "Indigenous". Inspired by indigenous patterns, there are 3 patterns in different colors :

- The Sun (Mango Orange): positivity, influence and connectivity. Make a positive impact to the world.
- The Snake (tabutabu Red) : a symbol of the origin of life, strength, and rebirth (from its molting) since ancient times across many societies.
- The Sprout (Dark Chocolate): a new lease of life, courage to overcome the difficulties and see the hope.

The sliding collar, and capless design protect your important content when not in use, and the key loop easily attaches to key chains, so that you will never lose it. The PNY Attaché I USB flash drive is compatible with USB 2.0 equipped CP and MAC laptop and compatible with USB 3.0 host devices at standard USB 2.0 speed.
